Refresh your career! Get in on the action! Belong to more than one SAGE!

Teaching is a Demanding Career

The challenges, responsibilities, expectations—and rewards—are great!

Invest in your own professional development and personal success with Special Area Groups of Educators (SAGE) memberships.

SAGEs help you:

- keep on top of changes
- share insights with peers
- give your teaching the informed edge
- exercise your autonomy in professional development

The 33 SAGEs affiliated with The Manitoba Teachers' Society are your link to a network of professional educators striving for excellence. Professional development opportunities, camaraderie, professional learning networks, and a forum to share your ideas and insights are all benefits of being a member of a SAGE.

The Professional Development Edge

MTS PD Day, conferences, and workshops present the best ideas from the brightest minds in teaching. But SAGEs do much more than sponsor a one-day PD conference.

SAGE reinforces your personal professional development by:

- developing skills in a friendly, non-competitive environment
- keeping you on the leading edge of thinking in your areas of interest

SAGE Publications

SAGE publications inform, stimulate, and expand your world of professional reading. What's more, they are your forum and your voice to colleagues across the province who share your interests.

Leadership and Influence

SAGEs provide professional development opportunities and a forum for their members to take a leading role in addressing issues and challenges in public schools in Manitoba.

SAGE Members:

- influence the development of resolutions for The Manitoba Teachers' Society Annual General Meeting of Provincial Council
- work with like-minded colleagues to help develop Society policy in a number of areas
- lay the groundwork for projects that benefit you, your profession, and your students
- network with colleagues to enrich your professional development

Inspiration

Many SAGEs recognize their members' contributions and commitment through awards and other programs. Experience the satisfaction of working together with conscientious and dedicated peers. Let your SAGE participation inspire your personal creativity.

A Perfect Match

SAGEs thrive on fresh ideas and input. You can make a positive contribution to your peers and your own professional success.
