Auxiliary Agreement
Article 1  Purpose

It is the intent and purpose of the parties to the agreement to provide a basis for both parties to improve the professional services rendered to the students and citizens in the Lakeshore School Division and to negotiate working relations between the School Board of the Lakeshore School Division and the Lakeshore Teachers' Association of the Manitoba Teachers' Society by establishing an acceptable salary schedule as provided for in Section 2 of the Individual Statutory Contract and other conditions of engagement resulting from the operation of this agreement.

Article 2  Effective Period

This agreement shall come into force and take effect on this first day of July 2014 and shall remain in force until June 30, 2018. Thereafter it shall remain in force from year to year unless either party gives the other written notice by registered mail between April 1st and April 30th of a desire to terminate or amend the agreement as of June 30th of that year. It is agreed that if notice is given, the parties will meet within 14 days of receipt of notice or within such further time as the parties may mutually agree upon.

Article 3  Salaries

3.01  Payment of Salaries

(a) All salaries shall be paid in twenty-four (24) payments which are payable on the fifteenth (15th) day of each month, and on the last banking day of each month.

(b) Salaries are earned on the basis of four-tenths (4/10) for the fall term and six-tenths (6/10) for the spring term and shall be based on the salary schedule in effect for the teacher's classification.

(c) Adjustments in salary earned after September 1st shall be pro-rated over the remaining payments to the following August 31st.

(d) Teachers terminating employment in June shall be paid in full all salaries accrued at June 30th in accordance with the approved form of agreement.

(e) Teachers who commence employment or return to active employment following an unpaid leave of absence after the commencement of a school year shall be paid as follows:

(i) In the first month of employment, the salary shall be paid on the basis of the number of teaching days remaining in that month as a fraction of the total number of days in the current school year as prescribed by the Minister of Education and Training.

(ii) For the balance of the school year, the pay installments shall be determined on the basis of the number of teaching days remaining in that school year as a fraction of the total number of days in the current school year as prescribed by the Minister of Education and Training divided by the number of pay days remaining to August 31st next.

(iii) Thereafter, the teacher shall be paid in accordance with Article 3: Payment of Salary.

(f) If a teacher's contract is terminated as provided therein or if a teacher commences a leave of absence without pay before the end of a school year, the final salary payment shall be so adjusted that the teacher shall receive, for the part of the year taught, such fraction of the salary for the whole year as the number of days taught is of the total number of days in the current school year as prescribed by the Minister of Education and Training.

(g) Adjustments in salary resulting from a change in a teacher's salary entitlement pursuant to this Agreement, shall be calculated and paid as follows:

(i) number of teaching days remaining in the current school year from the date of adjustment as a fraction of the total number of days in the school year as prescribed by the Minister of Education and Training times the adjusted salary rate in effect for that period of time.
(ii) For the balance of the school year, the pay installments shall be determined on the basis of the number of teaching days remaining in that school year as a fraction of the total number of days in the current school year as prescribed by the Minister of Education and Training divided by the number of pay days remaining to August 31st next.

(iii) Thereafter, the teacher shall be paid in accordance with Article 3: Payment of Salary.

(h) Note: Department of Education and Training is the term used throughout this Agreement to refer to Department of Education and Training, Manitoba Education Training and Youth, Manitoba Education, Citizenship and Youth or any other future change in name. Minister of Education and Training is the term used for the Government's Minister responsible for public schools.

3.02 Educational Qualifications

(a) For the purpose of this agreement the members of the teaching staff shall be classified according to the classification set forth in the Manitoba Regulations under the Public Schools Act, except herein as provided.

(b) Permit teachers will be classified one class lower than they would be with one year of teacher training.

(c) Classification of and Experience for Vocational Industrial Teachers:

A vocational industrial teacher who holds a Journeyman Certificate and who obtained from the Department of Education and Training of Manitoba at least a P1 rating will be classified as Class 4 by the Lakeshore School Division for salary purposes. If the teacher rating for grant purposes by the Department of Education and Training is higher than Class 4, the teacher will be classified according to the Department rating.

A vocational industrial teacher who holds a Journeyman Certificate will be granted increments for "related work experience" up to a maximum of 6 years. "Related work experience" shall be experience for which a Journeyman's Certificate was needed for the work performed. Experience beyond this definition may be granted at the discretion of the School Board. If a Vocational Industrial teacher with a Journeyman Certificate has taught elsewhere than in the Lakeshore School Division without at least one year of recognized teacher training by the Department of Education and Training, his/her teaching experience shall be recognized as "related experience only", and will be included in the maximum 6 years allowed for related experience.

If the above related experience clause will result in lower salary for any one of the Vocational Industrial teachers presently employed by the Lakeshore School Division, no cut in salary will be made. However, there will be no salary increases granted until that teacher is entitled to higher salary because of further teaching experience.

A teacher who holds a permanent Vocational Industrial Certificate and a Bachelor of Education degree will be paid at the rate of Class 5 or according to the Department salary classification, whichever is higher.

(d) Teachers may be required, after three (3) consecutive days, to provide a medical note while away on sick leave. For extended sick leave, teachers may be required to provide medical updates to the employer on a regular basis to the Superintendent's Department. Upon returning to work after an extended sick leave, teachers shall be required to provide medical clearance to the Division which demonstrates their ability to return to their duties.

(e) **Family Medical Leave**

Where such cases occur, and both parents of a particular child are teachers within the scope of this Agreement, both parents may not access the provisions of this paragraph concurrently.
6.08 Leave for Jury and Witness Duty

A teacher who is subpoenaed for jury or witness duty by a court of law will be reimbursed for any loss of pay in excess of the stipends received from the court. This shall be done when the teacher provides evidence to show the number of days involved and the amount of money received for the court duty.

6.09 Personal Leave

Effective Fall Term 2011:

a) With reasonable notice to the Superintendent, two days of personal leave with no loss of salary per school year shall be granted by the Superintendent. Where notice for leave is less than 3 days prior to the day leave is requested, such leave shall be granted at the sole discretion of the Superintendent.

b) Teachers shall not be granted personal leave on any in-service day, parent-teacher administration day, and pupil evaluation day set aside by the Division or school for pupil evaluation in which the teacher is involved, nor shall personal leave be granted to extend the Spring, Summer, or Christmas breaks. However, no more than two (2) teachers in schools with more than 6 teachers, and no more than one (1) teacher in a school with less than 6 teachers shall be granted personal leave on any one day.

c) Teachers will be allowed to carry over one day personal leave to the next school year. However in no case will a teacher be allowed a total maximum accumulation greater than three days of personal leave in any school year. Personal leave shall not be taken on consecutive work days.

6.10 Special Leave

The Division and the Association support in principle the concept that staff can benefit from exploring new learning experiences through a wide variety of opportunities. The Division and the Association recognize the need for the public school system to provide teaching opportunities for new teachers entering the profession.

1. Special leaves of absence may be granted by the school division to those Lakeshore School Division professional teaching staff who have the equivalent of ten (10) years of service with the Division.

2. Special Leaves of Absence may be for a full year or less.

3. No teacher shall be eligible for more than the equivalent of one year of Special Leave in any ten (10) year period of employment with the Lakeshore School Division.

4. The maximum number of teachers on Special Leave in any given school year shall not exceed the full-time equivalent of three (3) teachers.

5. A teacher granted a Special Leave of Absence shall be guaranteed his/her previous position in the same school. In the event that the position has become redundant because of course cancellation and/or a reduction in enrolment, the teacher shall be guaranteed a similar position.

6. A Special Leave of Absence shall not count as experience for increment purposes.

7. A Special Leave of Absence being granted will be conditional upon the availability of a replacement first or second year teacher suitable to the Board. The replacement teacher will sign a Form 2A Term Contract.

8. (a) Income paid to a teacher during a whole year of Special Leave of Absence will be:

- $23,978.66, effective the first (1st.) day of fall term, 2014; less prepaid premiums;
- $24,458.23, effective the first (1st.) day of fall term, 2015; less prepaid premiums;
- $24,947.40, effective the first (1st.) day of fall term, 2016; less prepaid premiums;
- $25,321.61, effective the first (1st.) day of fall term, 2017; less prepaid premiums;
- $25,701.43 effective January 1st, 2018; less prepaid premiums.
(b) Income paid to a teacher who takes less than a whole year leave shall be the total number of school days for which leave is granted divided by the number of days in the current school year as prescribed by the Minister of Education and Training multiplied by the annual Special Leave income, less prepaid premiums.

(c) Income as determined in (a) and (b) shall be paid in equal installments in accordance with the pay periods in effect during the leave.

9. Income for the year of Special Leave of Absence shall be prorated to the contract time of the teacher at the time the Leave is requested:
   (e.g.) A full-time teacher will receive 100% of salary as outlined.
   A half-time teacher will receive 50% of salary as outlined.

10. This Special Leave of Absence cannot be taken concurrently with any other Leave program.

11. Teachers wishing to begin a Special Leave of Absence in any school year must apply in writing to the Superintendent on or before March 31st of the preceding school year.

12. Upon receipt of the application for Special Leave of Absence by the Superintendent, the Superintendent will then convene a committee consisting of the Superintendent, one Board member and the Association President, that will review applications for the Leave, and make subsequent recommendations to the Board for final approval.

6.11 Participation in Group Plans during Leave of Absence

Teachers who have been granted a Leave of Absence and are eligible to continue to participate, during their absence, in group payroll deduction benefit plans, may request in writing that the Division make premium payments under such plans. The teacher wishing to commence a Leave of Absence shall prepay to the Division a sum of money equal to the total premium for the period of the Leave of Absence. The Division shall thereupon make payment(s) under the plan(s) on behalf of the teacher during such Leave of Absence. In the event of a rate change in any of the plans during the duration of the Leave, the Division shall inform the teacher of the additional sums of money necessitated by the change. Failure on the part of the teacher to forward such sums necessitated by the change in rate shall be deemed to be notice that said teacher no longer wishes continuation of premium payments, and the Division shall give notice to the teacher of such discontinuation and forward to that teacher any residual monies to which the teacher may be entitled.

Article 7 Advertisement of Positions

When a teaching position, except in specialized areas of French, home economics, industrial arts, vocational education or resource, becomes vacant, the position will be advertised in each school for at least five (5) teaching days.

When administrative positions become vacant in any division schools, these positions will be advertised in all schools for at least ten (10) teaching days so that division teachers have the opportunity to apply.

Article 8 Duty Free Lunch

Except in the case of emergency or unforeseen similar circumstances, all teachers shall be entitled to an uninterrupted meal period, of 55 minutes duration. Such meal period shall be taken between 11:00 a.m. and 2:00 p.m. daily.

The majority of the teachers in a particular school and the administration responsible for that school may agree to a different arrangement respecting lunch periods, however such arrangement shall not exceed the 55 minutes duration. Designated professional staff will be on call during this lunch period to deal with discipline, parent enquiries and other problems normally under the jurisdiction of a teacher.
Article 9  
**Advance Payments to Newly Hired Teachers**

All newly hired Form 2 teachers shall, upon request by the teacher, be advanced a net amount of $500.00 pro-rated based on full-time equivalents. This advance will be deducted in full from the teacher's first pay cheque. In the event the teacher does not have sufficient earnings in the first month of employment, the advance (or portion thereof still owing) will be deducted from subsequent pay cheques until the outstanding balance is nil.

Article 10  
**Lay-off**

i. When it is determined by the Board that a lay-off is necessary and where natural attrition, transfers, sabbaticals and leaves of absence do not effect the necessary reduction in staff, the Board shall develop a seniority list as hereinafter provided. Such a list shall contain the names of those teachers having the least seniority identified in sufficient numbers to enable the Board to lay-off the required number of teachers.

ii. Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of a lay-off, if such teacher does not have the necessary training, academic qualifications, experience and ability for a specific teaching assignment.

iii. The Board shall provide the Association with a seniority list and shall post the seniority list in each school in the Division prior to February 1st of each year. Teachers shall have until February 28th to protest, in writing, any alleged omission or incorrect listing to the Board. The seniority list as provided or amended must be certified prior to March 7th by both parties in writing to be correct. Any protest shall be limited to changes that have occurred since the last certified listing.

iv. 
**Definitions:**

A. Training: instruction received as preparation for the profession of teaching which leads to the development of a particular skill or proficiency with respect to a particular subject or subjects.

B. Academic Qualifications: refers to the classification in which the teacher is placed by the Teachers’ Certification and Records Branch of the Department of Education and Training.

C. Experience: the practical application of the training over a period of time with respect to the particular subject or subjects.

D. Ability: refers to a teacher's ability to perform a particular teaching assignment satisfactorily and proficiently after having acquired the necessary training, academic qualifications and experience.

E. 1. Seniority for the purposes of this article is defined to mean the length of continuous teaching experience from the date of last hire with the Division on a current Form 2 contract, which shall be calculated from the first day the teacher was to begin actual teaching.

2. Where the teachers have the same length of continuous equivalent teaching experience, the order of the seniority list shall be determined on the basis of total length of Form 2 employment with the Division.

3. Where teachers have the same seniority as defined in (1) and (2), the order of seniority shall be determined on the basis of total recognized teaching experience in Manitoba.

4. Where teachers have the same seniority as defined in (1), (2) and (3), the order of seniority shall be determined on the basis of total recognized teaching experience.

5. If the length of teaching experience as defined in (1), (2), (3) and (4) is equal, the teacher to be declared surplus shall be determined by the Board.

6. A teacher will retain and accrue seniority if absent from work because of:

   (a) illness or accident up to the maximum days accumulated under the provisions of the collective agreement;
(b) a leave of absence up to thirty (30) calendar days;

(c) maternity and/or parental leave under the provisions of the Employment Standards Act;

(d) a Special Leave of Absence under Article 13 of the collective agreement.

7. A teacher shall retain but not accrue seniority if the teacher is:

(a) on leave of absence in excess of thirty (30) calendar days;

(b) laid-off for a period of time less than that set out in VII hereof;

(c) absent because of illness or accident for more than the maximum number of days accumulated under the provisions of the collective agreement;

(d) absent because the Division has granted more maternity and/or parental leave than required by the Employment Standards Act.

8. Without limiting the generality of the foregoing, a teacher shall lose seniority and rights to further consideration for employment for any of the following reasons:

(a) the teacher resigns;

(b) the teacher is employed by another school board on a regular basis and on a Form 2 contract;

(c) the teacher fails to return to work after the termination of any leave granted by the Board;

(d) the teacher is not re-employed within one (1) calendar year after September 30th following the date of lay-off;

(e) the teacher's contract is terminated for cause;

(f) any teacher on the re-employment list who refuses to accept a position for which the teacher has the necessary training, academic qualifications, experience and ability to perform the work in the position offered shall forfeit all right to seniority and re-employment.

A teacher who has lost seniority as a result of the application of this article shall be notified as soon as possible that his/her teaching contract has been terminated.

v. In the event of a lay-off, the Board shall meet with the Executive of the Association to discuss the implications of the lay-off and shall provide the Association with a list of teachers to be laid-off.

vi. Notice of lay-off shall be given to the teacher by registered letter no later than the fifteenth (15th) day of May of any school year. The teacher, within twenty (20) teaching days of receiving notice of lay-off, shall indicate, in writing by registered mail, his/her wish to be placed on the re-employment list. Notwithstanding anything else in this article, failure to respond within the time limit specified shall relieve the onus on the Division for that teacher's placement on the re-employment list and the teacher shall lose seniority.

vii. If after lay-offs have occurred and for a period of one calendar year after the 30th day of September following the date of lay-off, positions become available, teachers who have been laid-off and have given written notice that they wish to be recalled shall be offered positions, providing such teachers have the necessary training, qualifications, ability and experience for the position(s) available. Seniority with the Board will be used to determine the order in which laid-off teachers are offered the available positions provided that the said teachers have the necessary training, qualifications and experience.
viii. If a teacher is recalled as provided in (vii) above, the following will not be affected:
   i. accumulated sick leave;
   ii. seniority gained prior to being laid off but seniority shall not be accrued for the period of time of the
      lay-off.

ix. If the Board terminates the contract of a teacher because that teacher is surplus, the Board shall, at the
    request of the teacher, provide him/her with a letter to this effect.

x. Notwithstanding any other provisions in this article, the foregoing lay-off procedure shall not apply to teachers
    who have not completed more than one (1) full school year of employment under contract with the Division or
    to teachers employed on a fixed term contract (Form 2A) where during that term the teacher is employed on
    the understanding that such teacher will not, after the completion of such term, be employed by the Division.

xi. The Board may, at its discretion, exempt a principal or vice-principal from the provisions of this article in the
    case where the principal or vice-principal would be subject to lay-off in accordance with the provisions of the
    article.

**Article 11  Freedom from Violence**

The parties recognize the principle that all teachers should have a working environment free from physical violence,
verbal abuse or the threat of physical assault and both parties shall make reasonable efforts to maintain this goal.

This section is subject to the Public Schools Act and regulations thereto and is not intended to abrogate any
management rights with respect to the student disciplinary process.

Teachers shall not have the right to grieve individual student disciplinary decisions made by the school administration.

**Article 12  Transfer**

The Association recognizes the right of the Division to assign teachers employed by the Division to schools under its
jurisdiction. The Division shall provide to any teacher being considered for transfer an opportunity for consultation
with respect to the transfer and the details of the intended assignment. The most reasonable notice possible given
the circumstances shall be provided to the teacher. The right to transfer shall be exercised fairly and reasonably,
having due regard for the educational needs of the Division, and the interests of the teacher involved.

**Article 13  Provision for Settlement of Differences**

Within 40 teaching days of the event giving rise to a dispute respecting an alleged violation of this agreement or
respecting the content, meaning or application of the agreement (including a dispute as to whether or not the matter
upon which the arbitration has been sought comes within the scope of the agreement), a party hereto, after
exhausting any grievance procedure established hereby, if the dispute is not settled within ten (10) days, may notify
the other party in writing of its desire to submit the dispute to arbitration.

Where a party gives notice to another party of its desire to submit the dispute to arbitration, the notice shall contain
the name of the person appointed to the Board of Arbitration by the party giving notice.

A party to whom notice is given that another party desires to submit the dispute to arbitration shall, within ten days of
receiving the notice, name the person whom it appoints to the Board of Arbitration who shall be the chairperson
thereof.

When a party receiving notice that another party desires to submit a dispute to arbitration fails to appoint a member to
the Board of Arbitration, or where the two appointees of the parties fail to agree on the appointment of the third
member of the Board of Arbitration within the time specified, the Manitoba Labour Board may be requested by any
party to the agreement to appoint a member on behalf of the party failing to make the appointment or to appoint a
third member as the case may be, and, where the case requires, may be requested to appoint both.

The Board of Arbitration shall make its award within fourteen days after the appointment of the third member of the
Board of Arbitration or within such longer period as may be agreed upon by the parties.
Article 14  Extra Curricular Activities

"Extra-curricular activities" means student-related athletic, social, recreational and cultural activities, occurring outside the normal school day, but does not include activities related to academic or instructional matters or curriculum subjects outside the normal school day, whether such occur alone or with students, parents or administrative staff, such as (without limitation) staff meetings, parent/teacher meetings, committee work, in-service sessions, marking and setting examinations, or marking school assignments.

The parties acknowledge the importance of extra-curricular activities as an integral part of each student's educational experience. An eligible extra-curricular activity is an activity which has received prior approval from the school principal.

Commencing with the school year starting in September of 2015, and thereafter, in any school year (as per the Minister of Education and Training’s definition), a teacher will be entitled to a paid leave of absence of one-half day provided that he or she:

(i) perform 25 hours of eligible extra-curricular duties during a school year; to a maximum of 100 hours and;
(ii) the date for such leave shall be agreed upon between the principal and the teacher;
(iii) Where the fifty (50) hours are not accumulated until after April 30th, a teacher shall be entitled to use a full day of leave prior to December 31st in the following school year.
(iv) Extra-curricular leave shall not be taken on consecutive work days.
(v) Teachers shall not be granted extra curricular leave on any in-service day, parent-teacher administration day, and pupil evaluation day set aside by the Division or school for pupil evaluation in which the teacher is involved.

Article 15 - Hours of Work

Effective Fall Term 2008, within the instructional day the Division shall provide a minimum of one hundred ten (110) minutes of preparation time for each full time teacher per five (5) day cycle.

Preparation time shall be scheduled in blocks of not less than thirty (30) minutes, and shall be exclusive of recess. Part time teachers shall be provided preparation time on a pro rated basis based on their percentage of contract.

Effective Fall Term 2009, within the instructional day the Division shall provide a minimum of one hundred thirty (130) minutes of preparation time for each full time teacher per five (5) day cycle.

Effective June 30, 2010, and thereafter, within the instructional day the Division shall provide a minimum of one hundred fifty (150) minutes of preparation time for each full time teacher per five (5) day cycle.

Article 16 - Complaints

Any complaints concerning teachers must be addressed as follows:

1. School Level:
   a) Meet with the teacher against whom the complaint is made.
   b) If the meeting with the teacher does not result in a resolution, both parties would then meet with the school principal.
   c) The principal shall document the particulars of the complaint and provide a copy to all parties.

2. Divisional Level:
   a) If meetings at the school level do not lead to a satisfactory resolution, documentation from 1.c) shall be submitted to the Superintendent prior to a meeting with the Superintendent.
   b) If after consultation with the Superintendent, the situation has not been resolved, contact with the Board of Trustees should be made.

3. Sub-sections 1 and 2 shall apply under all circumstances except in the case of an urgent situation affecting the welfare of the Division, or of a student or students, or of a teacher.

4. For the purpose of this Article, complaint shall mean an issue not related to the employer/teacher relationship.

Memorandum of Agreement between

and

The Lakeshore Teachers' Association
of The Manitoba Teachers' Society

The parties agree to the following application rules, terms and conditions clarifying the Maternity Leave Supplemental Unemployment Benefit Plan per Article 6.04.

1. The maternity leave period which is eligible for payment under this Article is the first 17 weeks (the 2 week waiting period and the next immediate 15 weeks).

2. Where any portion of the 17 weeks referenced in (1) above falls during the summer, Christmas Break, Spring Break, or any other period for when the teacher is not earning her salary, that portion of the maternity leave period does not qualify the teacher to receive maternity leave benefits pursuant to Article 6.04.

3. A specific application or registration for a Supplemental Unemployment Benefits Plan is not required. The only requirement from Human Resources Development Canada is that the comments section of the Record of Employment confirming that section 38 of the Employment Insurance Regulations are met.

4. Teachers must be under contract to the Division during the period when maternity leave benefits may be paid by the Division in order to be eligible to receive those payments.

5. The qualifying period of seven teaching months must be seven consecutive teaching months in the employ of the Lakeshore School Division, as per the Manitoba Employment Standards legislation. The full seven months qualifying period must be served in order to qualify for any maternity leave payment. For greater certainty, should a teacher fail to serve the full qualifying period prior to the start of the maternity leave, then that teacher shall be eligible to receive maternity leave benefits only for that portion of the 17 weeks referenced in (1) above which occurs after the completion of the seven month qualifying period.

6. The Division requires, from each of the teachers on maternity leave, a copy of the Statement of Finalized Employment Insurance Benefits in order to accurately calculate her entitlement. This is a document which the teacher should have received (or will receive) from Employment Insurance four to six weeks from the date that she applied for Employment Insurance Benefits. Should payments to teachers be required prior to receipt of the Statement, an estimate of the correct entitlement will be made with an adjustment made following receipt of the Statement.

THIS AGREEMENT is by and between the Lakeshore School Division and the Lakeshore Teachers' Association of the Manitoba Teachers' Society.

6.04(c) Parenting Leave

Maternity or Parental leaves shall be in accordance with the Employment Standards Code of the Province of Manitoba.

Top-Up Benefits

(i) Effective July 1, 2017 a teacher taking Maternity Leave and/or Parental/Adoptive Leave pursuant to this article shall be entitled to receive pay equivalent to ninety percent (90%) of the teacher’s gross salary (gross salary means the teacher’s gross salary at the time the leave commenced plus any subsequently negotiated salary adjustments) for up to one hundred and thirty-five (135) teaching days, which pay will include any employment insurance benefits received in accordance with this article.

(ii) Effective July 1, 2017 the Division shall pay a teacher on Maternity Leave and/or Parental/Adoptive Leave:

(1) if the teacher’s one (1) week or five (5) day waiting period falls entirely on teaching days, ninety percent (90%) of the teacher’s gross salary plus up to eighty (80) teaching days of Maternity Leave Top-Up calculated at the difference between the teacher’s employment insurance benefit and ninety percent (90%) of the teacher’s gross salary provided the teacher remains on either maternity or parental leave and continues to receive employment insurance benefits;

(2) if the teacher’s one (1) week or five (5) day waiting period falls partially or entirely within a non-teaching period, ninety percent (90%) of the teacher’s gross salary for any teaching days and up to eighty-five (85) teaching days of maternity leave top-up calculated at the difference between the teacher’s employment insurance benefit and ninety percent (90%) of the teacher’s gross salary provided the teacher remains on either maternity or parental leave and continues to receive employment insurance benefits;

The parties acknowledge that the top-up payments made by the Division for maternity leave may extend into the period of time that the teacher is on parental leave but the payment is intended to be a top-up of maternity leave benefits.

iii) Non-Application

This article shall not apply to any teacher who is employed on a term contract during the teacher's first year of employment. All other teachers shall be eligible to receive the top-up benefits once they have been employed for a period of seven (7) months by the Division.
