Except as otherwise stated any changes to be effective date of ratification by the Board.

DEFINITIONS:

“Department”, for the purposes of the collective agreement, means the Provincial Government’s Department of Education and Training.

“Per Diem Rate” means the applicable teacher’s annual salary divided by the number of school days in a school year as defined by the Minister responsible for Education.

ARTICLE 1 - PURPOSE

It is the intent and purpose of the parties, the Western School Division (hereinafter referred to as the Division) and the Western Teachers’ Association of the Manitoba Teachers’ Society (hereinafter referred to as the Association) to:

A. provide the educational services rendered to the students and the taxpayers of the Division;

B. promote and improve the working relations between the Division and the Association;

C. establish a salary schedule and other conditions of employment.

ARTICLE 2 - EFFECTIVE PERIOD

This collective agreement shall come into force and take effect as of the 1st day of July, 2018, and shall remain in force until the 30th day of June, 2022, and shall automatically renew itself unless either party gives the other written notice, by registered mail, of a desire to terminate or amend the Agreement, such notice to be given not more than ninety (90) days and not less than thirty (30) days next preceding the date of expiry of the term of the collective agreement. It is agreed that, in such an event, the parties shall meet to commence negotiations within fifteen (15) days of receipt of notice or such further period as the parties may mutually agree. The parties shall make every reasonable effort to conclude a new or amended Agreement.

ARTICLE 3 - SALARIES

3:01 - Classification

A. For the purpose of the salary schedule, teachers shall be classified according to the salary classification issued by The Professional Certification Section of the Administration and Professional Certification Branch of the Department. Except as may be otherwise provided herein, for the purpose of this agreement the corresponding classification shall be as follows:

Class 3
Class 4
Class 5
Class 6
Class 7
B. Classification of vocational industrial arts teachers shall be determined by the Department. Where the Department’s classification is Class 3 or less, including a Limited Teaching Permit, the vocational industrial arts teacher shall be placed in Class 3.

3:02 - Change in Salary Classification

Any teacher who improves his or her academic or professional qualifications which will place him or her in a higher classification, during any part of the year, shall be paid according to those improved qualifications. Such increases in salary shall become effective at the beginning of the term following fulfilment of the requirements raising him or her to the next class. That is, a teacher completing a university year at summer school shall be paid for the newly completed year from the opening of school in September of that year provided that said teacher files, with the Secretary of the Division, satisfactory evidence of his or her improved qualifications before November 30th, or by February 28th if the change is to be effective January 1st. Satisfactory evidence is defined as a written statement from the teacher subject to a statement of confirmation from the Professional Certification Section of the Administration and Professional Certification Branch of the Department.

3:03 - Unspecified Qualification

A. If the Division creates a new teacher position that falls within the bargaining unit but is not covered under the collective agreement, and if the requirements are different than the Department’s classification system and the provisions in Art. 3.04 – Basic Salary Schedule and Article 3:07 – Annual Increments, the parties will negotiate the salary for the position.

If the Board determines that the position is to receive an allowance, the parties will negotiate an allowance for the position.

B. The parties will make all reasonable efforts to negotiate the salary prior to offering the position to a prospective candidate.

However, if the duration of the substitution is known to be beyond twenty-five (25) calendar days, because of the nature of the absence, the substitute teacher will be paid the per diem of his/her classification according to his/her qualifications and experience, beginning on the first day of teaching; except that no substitute teacher shall receive a salary rate higher than the maximum salary provided for a Class 5 teacher. Substitution days cannot be accumulated from one assignment to another.

H. Manitoba Teachers' Society fees shall be deducted from a substitute teacher's pay in accordance with the guidelines established by the Manitoba Teachers' Society.

Western Teachers' Association fees shall be deducted and remitted from a substitute's pay monthly. These fees shall be prorated on the basis of the number of days worked in a given month.

The Association shall indemnify and save harmless the Division from any and all losses, costs, liabilities or expenses suffered or sustained by the Division as a result of any claim or legal action arising from the deduction of Manitoba Teachers' Society fees or Western Teachers' Association fees.

3:07 - Annual Increments

A. Teachers shall proceed from their basic salary by increments as indicated in Article 3:04 for each year of service in the Division.

B. Annual increments shall become effective on September 1st next following provided the anniversary date of employment falls between the commencement of the fall term and December 31st and on January 1st next following provided the anniversary date of employment falls between January 1st and June 30th.

3:08 - Allowance for Past Experience

A. Teachers coming on staff shall receive credit for years of experience as recognized by The Professional Certification Section of the Administration and Professional Certification Branch of the Department.
B. Vocational industrial arts teachers shall be credited one (1) increment per year for each of the first three (3) years, and one (1) increment per year each two (2) years thereafter, to a maximum of 6 increments, for practical experience verified by the Division in the particular field of expertise.

In subsequent years, the vocational industrial arts teacher shall receive increments in accordance with the provisions of Article 3.07 of the collective agreement.

3:09 - Special Duties

The Division, with the agreement of the Association, may pay a teacher for special duties a salary higher than that called for by the schedule.

3:10 - Payment of Salary

The salary of a teacher shall be paid according to the following:

I. Basic Entitlement

The amount of salary earned during the school year by a teacher shall be determined by taking, as a fraction, the total number of teaching days a teacher is employed in each of the fall and spring terms over the total number of teaching days in the fall and spring terms as prescribed by the Minister of Education, multiplied by the salary rates in effect during the fall and spring term and aggregated.

II. Method of Payment

A) Salary payments shall be made by direct deposit on or before the twenty-fifth day of each month or on the last teaching day before a break, whichever is sooner but no earlier than the twentieth day of the month.

B) Salaries of a teacher employed as of the first teaching day of the school year shall be paid in twelve (12) equal monthly instalments, with the July and August deposits made at the end of June. For calculation purposes, the school year salary shall be deemed to be defined as the fall term representing 40%, and the spring term as 60% of the salary rates in effect.

C) Salaries of a teacher commencing employment after the first teaching day of the school year shall be paid in instalments calculated as follows:

i) In the first month of employment, the salary shall be paid in the fraction of the salary rate in effect as the number of days employed in that month is of the total number of days prescribed by the Minister for the school year.

ii) Thereafter, the monthly instalments shall be determined by dividing the salary entitlement for the balance of the school year, by the number of months remaining to August 31st next.

D) A teacher employed for a specific term of less than a school year, shall be paid monthly in approximately equal instalments. Any and all adjustments will be made on the final payment.
E) When by reason of changes in the terms of this agreement the salary of a teacher is changed, the new salary shall be paid in the month following the date of signing of the agreement and any retroactive adjustments shall be included in the salary pay for that month.

III. Final Payments
Where a teacher leaves the employ of the Board during the course of the school year, the final payment shall be so adjusted that the teacher shall receive, for the part of the school year employed such fraction of the salary for the whole school year as the number of teaching days employed is of the number of days prescribed by the Minister for that school year.

3:11 - Interest on Retroactive Pay
The Division shall pay, to members of the Association, interest on the net amount of any retroactive pay based on the average salary in the Division which may be paid to such members, calculated from the date on which the monies would have been due to the date of actual payment.

The interest shall be computed at the lesser of 7% or the rate paid in a regular savings account at the Division's financial institution on the date of signing.

The parties agree to waive interest on retroactive pay for this collective agreement.

ARTICLE 4 - LEAVE

4:01 - Leave of Absence for Executive Duties
A. A teacher, being a member of the Manitoba Teachers' Society Executive Committee, or being appointed an official representative or delegate of the Society to attend a meeting of the committee of which he or she is a member, or to act as a representative or delegate of the Society or of any branch thereof in a matter of Society business requiring absence from school, shall have the right to attend such meeting and shall be excused from school duties for either purpose or both purposes for not more than a total of six (6) teaching days in any school year, provided that a substitute satisfactory to the Division can be secured. The Division is to pay the substitute teacher and bill the Manitoba Teachers' Society for the cost of a substitute. No additional leave of absence beyond six (6) days for any individual in a school year shall be taken for the purposes mentioned above except with the consent and approval of the Division. In all cases the teacher shall notify the Division thereof prior to taking such a leave.

B. No teacher who is entitled to leave under this article shall be allowed to take leave on parent teacher days, professional development days, administrative days, days before or after Christmas or spring break unless the Division has expressly given consent to do so by the Superintendent.

4:02 - Compassionate Leave
Each teacher shall be allowed compassionate leave without loss of salary up to but not exceeding five (5) days in any one school year for each case of death or serious illness of father, mother, child, spouse, and common law partner.
Each teacher shall be allowed compassionate leave without loss of salary up to but not exceeding four (4) days in any one school year for each case of death or serious illness of sister, brother, grandparents, father in-law, mother in-law, sister in-law, brother in-law, son in-law, daughter in-law, and grandchildren.

Each teacher shall be allowed compassionate leave without loss of salary of up to one (1) day for grandparents of spouse, aunt, uncle, niece or nephew.

In all cases the teacher concerned shall notify the Division prior to taking such a leave.

4:03 - Deduction For Leave Of Absence

In all cases of absence other than those covered by this Agreement, the Board, upon the request of the teacher, will consider the request and at its discretion identify the terms under which such leave may be taken.

At the discretion of the Board the teacher shall:
(a) receive full pay, or (b) be deducted the per diem rate of his/her regular salary, or (c) be deducted 1/240th of his/her regular salary, or (d) pay cost of the substitute.

4:04 - Sick Leave

A. It is agreed by the parties that sick leave entitlement shall only be granted by the Division where an employee is unable to be at work and perform his/her regular duties as a result of illness or injury.

Teachers in the employ of the Division shall commence each school year with twenty (20) sick leave days, provided they have worked one full day in the new school year, plus all previously unused sick leave subject to a maximum accumulation as outlined below. Subject to Subsection B of this article, such leave shall not exceed twenty (20) teaching days in any school year.

B. Where the employment of a teacher is continued for more than one (1) year, the unused portion of sick leave in any year shall be carried forward and accumulated from year to year to a maximum of:

40 teaching days in the second year;
60 teaching days in the third year;
80 teaching days in the fourth year;
100 teaching days in the fifth year;
120 teaching days in the sixth year.

Effective Date of Signing of this Agreement, 130 teaching days in the seventh and subsequent years.

Any teacher hired other than at the beginning of the school year shall be entitled to a fraction of the twenty (20) day sick leave equal to the fraction of the remaining year.

Any teacher returning from sick leave and starting a new school year other than at the start of the new school year, shall be entitled to a fraction of the twenty (20) day sick leave equal to the fraction of the remaining year.

C. A teacher does not accumulate sick leave days while on sick leave.
D. Teachers employed on a part-time basis who have a contract with the Division, shall be granted sick leave with pay pro-rated based on full-time equivalents.

E. Sick leave shall not continue to accrue while on any leave of absence without pay.

F. A teacher shall be required to furnish a medical certificate when requested by the Division.

G. It is agreed that the 5/12 share of the Employment Insurance premium rebate shall be returned to the Association on or before February 28.

H. The Western Teachers Association and teachers shall be notified by the end of September of each year the total accumulated sick leave entitlement of each teacher.

4:05 - Sick Leave for Family

Each teacher is permitted to use up to 5 days sick leave per year to attend to family related medical issues.

A. This leave is for serious medical issues for members of the teacher’s immediate family. Immediate Family is defined as spouse, common law partner, child, parents, and any other relative permanently residing with the teacher. In extraordinary circumstances, the Board may consider requests for Family Sick Leave for other relatives on a case by case basis. Teachers should use local services where possible and arrange appointment times that would minimize their absence.

ARTICLE 11 – LAY OFF CLAUSE

Where it is determined by the Board that a lay-off is necessary and where natural attrition, transfers, sabbaticals and leaves of absence do not effect the necessary reduction in staff, the Board shall identify those teachers to be laid off after taking into account the special subject, programs and administrative needs of the Board, according to the procedures set out below.

A. For the purpose of identifying the teachers to be laid off the Board shall give first consideration to seniority provided that the teacher has the qualifications, training or experience for a specific teaching assignment.

B. Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of a lay off, if such teacher does not have the necessary training, academic qualifications or ability for a specific teaching assignment.
C. Notwithstanding Article 12, seniority for the purposes of this agreement is defined to mean the length of continuous teaching experience beginning with the first teaching day within the Division on a current Form 2 or Teacher General or equivalent full time contract.

D. Where the teachers have the same length of continuous teaching experience, the order of the seniority list shall be determined on the basis of the total length of employment with the Division.

E. Where teachers have the same seniority as defined in (C) and (D), the order of seniority shall be determined on the basis of total verified teaching experience in Manitoba.

F. Where teachers have the same length of continuous teaching experience as defined in (D), and (E), and (F) the order of seniority shall be determined on the basis of total teaching experience verified by The Professional Certification Section of the Administration and Professional Certification Branch of Manitoba Education and Training.

G. If the length of continuous teaching experience as defined in (D), and (E), and (F), and (G) is equal, the teacher to be declared surplus shall be determined by the Board.

H. A teacher will retain and accrue seniority if absent from work because of:
   i. illness or accident up to the maximum sick leave days accumulated under the provisions of the Collective Agreement;
   ii. sabbatical leave
   iii. maternity leave under the provisions of an agreement between the teacher and Board.

I. A teacher shall retain but not accrue seniority if the teacher is:
   i. laid off for a period of time less than that set out in clause J (d) thereof;
   ii. absent because of illness or accident for more than the maximum number of days accumulated under the provisions of the Collective Agreement;
   iii. absent from work because of an approved leave of absence. In the event of leave of absence, which the Board determines to be beneficial to the Division, a teacher shall accrue seniority.

J. A teacher shall lose seniority for any of the following reasons:
   i. the teacher resigns.
   ii. the teacher is employed by another school board as a full time teacher on a Form 2 or Teacher General or equivalent full time contract, approved by the Minister; except a teacher who is employed full time on such a contract for a limited term not to exceed one full year;

   iv. the teacher is not recalled within one (1) calendar year after September 30th following the date of lay off;
   v. the teacher’s contract is terminated for cause;
   vi. the teacher is on the recall list and refuses to accept a position which becomes available pursuant to Clause N for which the teacher has the necessary training, academic qualifications, or ability to perform the work in the position offered.
K. Definitions
   i. Training – Instruction received as preparation for the profession of teaching which
      leads to the development of a particular skill or proficiency with respect to a
      particular subject or subjects.
   ii. Academic Qualifications – Refers to the classification in which the teacher is
      placed by The Professional Certification Section of the Administration and
      Professional Certification Branch of Manitoba Education and Training.
   iii. Experience – The practical application of the training over a period of time with
      respect to the particular subject or subjects.

L. In the event of an impending lay off, the Board shall meet with the Executive of the
   Association to discuss the implications of the lay off and shall provide the Association with
   a list of teachers to be laid off and with a copy of the seniority list. Teachers shall have
   ten (10) teaching days to protest in writing to the board any alleged omission or incorrect
   listings on the seniority list.

M. Notice of lay off shall be given to the teacher no later than the first day of May for the
   period ending June 30th, and no later than the first day of December for the period ending
   January 31st. The teacher, within ten (10) calendar days of receiving notice of layoff, shall
   indicate in writing his/her wish to be placed on the recall list.

N. If after layoffs have occurred, and for a period of one calendar year after the 30th day of
   September following the date of lay off, positions become available, teachers who have
   been laid off and have given written notice that they wish to be recalled shall be offered
   the positions first, provided such teachers have the necessary training, academic
   qualifications or experience for the positions available. Seniority with the Board will be
   used to determine the order in which laid off teachers are offered the available positions
   provided that said teachers have the necessary training, academic qualifications or
   experience.

O. It shall be the responsibility of the teacher to report an address to which a recall notice can
   be delivered. Recall notices will be delivered by registered mail to the last reported
   address given by the teacher. A teacher who is recalled from lay off shall be required to
   indicate within six (6) working days of registration of his/her intent to return to work, and
   shall be required to return to work on the date set out in the notice, which date shall not
   be less than fourteen (14) calendar days following such notification, unless by mutual
   agreement.

P. A teacher’s accumulated sick leave credits shall not be affected if the teacher is recalled
   as provided in Clause O hereof.

Q. If the Board terminates the contract of a teacher because that teacher is surplus, the Board
   shall, at the request of the teacher, provide the teacher with a letter to this effect.

R. Notwithstanding any other provision of this Agreement, the foregone lay off provisions
   shall not apply to the teachers continuously employed under contract for an aggregate of
   less than ten (10) teaching months of paid service; provided however that no teacher who
   has been employed by the Board for more than an aggregate of ten (10) teaching months
   of paid service under contract shall be laid off, where teachers with less than an aggregate
   of ten (10) teaching months of paid service under contract have not been laid off, having
   regard to the necessary training, academic qualifications or experience required for the
   specific teaching assignment of such teacher continuously employed by the Division for
   less than an aggregate of ten (10) teaching months of paid service.
ARTICLE 12 – TERM CONTRACTS

A teacher who has been employed full or part time with the Division under a continuous Teacher Limited Term Contract (previously Form 2A) and who subsequently is employed under a Teacher General Contract shall be entitled to seniority retroactively to the beginning of their first continuous Teacher Limited Term Contract (previously Form 2A).

For the purpose of this clause, a continuous Teacher Limited Term Contract (previously Form 2A) will be employment with the division under the Teacher Limited Term Contract (previously Form 2A) where there has been no break in service between one Teacher Limited Term Contract (previously Form 2A) and another Teacher Limited Term Contract (previously Form 2A) or Teacher General Contract. For further clarity, the summer, winter and spring breaks do not constitute a break in service provided that the teacher has a summer, winter or spring break and a Teacher Limited Term Contract (previously Form 2A) or Teacher General Contract is in force and effect the first teaching day following that summer, winter or spring break.

ARTICLE 13 – WORK ENVIRONMENT

The Division and the Association recognize the rights of all employees as governed by Province of Manitoba Human Rights legislation and agree to live up to standards as set forth in the Human Rights Code.

ARTICLE 14 – MEAL PERIOD SUPERVISION

Except in cases of emergencies, or in unforeseen similar circumstances, every teacher shall be entitled to an uninterrupted meal period each school day. This meal period shall be the lesser of 55 minutes or 5 minutes less than the mid-day intermission given to students at their school. Designated teaching staff will be on call on the premises during this meal period to deal with emergencies or unforeseen similar circumstances.

ARTICLE 15 - EXTRA-CURRICULAR

"Extra-Curricular Activities" means student-related athletic, social, recreational and cultural activities, occurring outside the normal school day, but does not include activities related to academic or instructional matters or curriculum subjects outside of the normal school day, whether such occur alone or with students, parents or administrative staff, such as (without limitation) staff meetings, committee work, in-service sessions, marking and setting examinations, Christmas or Spring Concerts, or marking school assignments.

A teacher who participates in extra-curricular activities shall be entitled to a paid leave of absence of one (1) day per fifty (50) hours up to a maximum of two (2) days per school year. Any teacher who has accumulated sufficient hours to qualify for two (2) days leave shall take these leave days before the end of that school year or by the last teaching day of January in the following school year. A part time teacher shall be entitled to the equivalent time off as that of a full time teacher. This leave may not be taken in conjunction with any other leave or break unless authorized by the superintendent. Extra-curricular leave shall not be used on parent teacher days, professional development days, or administrative days.
An extra-curricular activity is an activity that has received prior approval from the school principal.

In areas where a question arises regarding whether an activity would qualify under this clause, the school principal will consult with the Superintendent.
