

Dear Teacher,

Your local Petland store is a leader in the area of animal care with on-going staff training programs, in-store animal husbandry systems and community service programs. Part of Petland's community service outreach program involves helping teachers have pets in the classroom for their students.

At Petland we believe an appreciation for pets and their care should begin at a young age. Our mission at Petland is to enhance people's knowledge and enjoyment of the human-animal bond. Given guidance by classroom teachers, our Pet Counselors are open to working with classroom pets to help ensure that the pets 4 basic needs are looked after whether by instore visits or even a visit to the school.

If you would be interested in having Petland visit your classroom or would like more information on keeping pets in your class don't hesitate to reach out to your local Petland.

Go to www.petland.ca to find your local Petland's contact information and give us a call.

To receive your "Teacher Discount Card" which will give you 15% off the regular price on pets and pet supplies at participating Petland locations (see details below) send an email to petland@petland.ca and we will mail it out to you. Use the card as often as you like.

Thank you for all you do for our children,

Sincerely,

Petland Canada Inc.
