FIELD-LED COURSE - Personnel Leadership

MTS is sponsoring a Field-Led Course (FLC) on Personnel Leadership during the 2018-2019 school year. It is comprised of four required workshop components with additional readings and assignments, and it is approved for university credit toward the provincial School Leadership Certificate. The purpose of this course is to provide practitioners with opportunities to increase their knowledge and skills in supporting the professional growth and development of individual staff members and in leading and developing collaborative communities within the school. The course will provide opportunities to learn and practice various communication tools and discussion protocols, develop norms for collaboration and problem solving, and apply these skills to various contexts depending on their school and current role.

For further information, including the course outline and registration details, see http://www.mbteach.org/pdfs/pd/PD_fieldledcourses_2018_19.pdf

Collective Efficacy: The Power of Working Together

Recent research suggests that Collective Efficacy is the number one factor influencing student achievement. Participants will learn about leadership practices that foster efficacy and develop an action plan for implementing changes that can strengthen collective efficacy in schools and classrooms.

Topics: How educators' beliefs impact student learning; the research base that supports new ways of working together; conditions and practices for collective efficacy to flourish; and professional learning structures/protocols that promote collective efficacy.

Fee: Member \$150; Non-Member \$200

FACILITATOR(S)

Dr. Jenni Donohoo is a best-selling author and professional learning facilitator with 20 years' experience in leading school change. Jenni is a Provincial Literacy Lead with the Ontario Ministry of Education. In this role, she works alongside system and school leaders in order to improve the quality of professional learning and collaboration in schools and districts. Jenni's recent publications include [The Transformative Power of Collaborative Inquiry: Realizing Change in Schools and Classrooms](#) and [Collective Efficacy: How Educators' Beliefs Impact Student Learning](#).

Authentic Equity: Moving Beyond Celebrating Diversity

Teachers and leaders will learn how to create equitable classrooms and schools and to avoid common pitfalls that create the illusion of equity while maintaining inequity. Using the equity literacy framework, participants will learn content, practical strategies, and facilitation skills to strengthen equity efforts and intervene with bias and inequity.

Topics: Safe and inclusive classroom environments where students can express themselves; how to recognize and respond to bias; age-appropriate strategies for teaching about equity issues such as sexism and poverty; and teaching strategies to develop critical thinking and analytical skills to recognize bias in resources, interactions and policies.

Fee: Member \$150; Non-Member \$200

FACILITATOR(S)

Paul Gorski is the founder of EdChange and the Equity Literacy Institute. He has spent more than 20 years working with educators around the world on strengthening their commitments to educational equity and justice. He has written more than 50 articles and written, co-written, or co-edited 10 books including Reaching and Teaching Students in Poverty: Strategies for Erasing the Opportunity Gap; Case Studies on Diversity and Social Justice Education, and Voices for Diversity and Social Justice.

Sarah Gazan is a Staff Officer and licensed Crucial Conversations facilitator in the Professional and French Language Services Department at The Manitoba Teachers' Society.
