September 2025

Dear new member and colleague,

The Manitoba Teachers' Society has developed an information package that you will find valuable as you begin your exciting career.

We are 16,600 teachers working hard in public schools throughout Manitoba. Your Society is always working hard to look after your needs for professional development, teacher welfare services, health benefits, advocacy, and much more. We have 80 dedicated staff and an elected board of 13 members from across the province who are committed to teachers, teaching, and public education.

Our dynamic website [www.mbteach.org](http://www.mbteach.org), our publication the Manitoba Teacher, and our many social media feeds will provide you with information to assist not only in your first crucial year of teaching, but throughout your career.

As you make key decisions this year about time, programming, energy, and resources, keep in mind that we are always here for you.

Best wishes on your exciting first year and for the many fulfilling years to follow in the teaching profession.

Sincerely,

Lillian Klausen, President  
The Manitoba Teachers' Society
