#### 7. SINGULAR/PLURAL

Wherever the singular is used throughout this Agreement, the same shall be construed as meaning the plural where the context or the parties hereto so require.

## 8. PROVISIONS FOR SETTLEMENT OF DISPUTES DURING CURRENCY OF AGREEMENT

### 8.01 Committee on Adjustments

At the request of either of the parties hereto, any question of interpretation or application of the provisions of this Agreement may be referred to the Committee on Adjustments which shall consist of two (2) representatives from the Division, appointed by the Chief Superintendent, and two (2) representatives appointed by the Association. Both parties may have additional persons in attendance.

### 8.02 Grievance Procedure

Where there is a difference between the parties to, or persons bound by the Agreement or on whose behalf it was entered into, concerning its content, meaning, application or violation, the aggrieved party shall, within thirty-five (35) teaching days from the date on which the grievor became aware of the event giving rise to the dispute or alleged violation, notify the other party in writing of its desire to have the difference negotiated. If the dispute or alleged violation is not settled between the parties the grievor, after being notified that the grievance is denied, shall within a further thirty (30) teaching days or such time as the parties may mutually agree, refer the dispute to an arbitrator or an arbitration board as herein prescribed.

The notice of difference shall be submitted to the Chief Superintendent and shall contain a summary of the facts which gave rise to the grievance and the name(s) of the employee(s) immediately involved. The notice of grievance shall reference the clause(s) of the Collective Agreement on which the grievance is based and outline the required corrective measures. In the case of a policy grievance the notice shall reference the clause(s) of the Collective Agreement on which the grievance is based and outline the required corrective measures.

If a party to the Collective Agreement claims that the time limit imposed under the Collective Agreement has not been complied with, the parties shall proceed to appoint the arbitration board and, if the arbitration board is satisfied that the irregularity with respect to the time limit has not prejudiced the parties to the arbitration and will not affect the merits of the matter submitted to the arbitration board, it may, on application of any party to the arbitration, declare that the irregularity does not affect validity of the decision of the arbitration board; and the declaration is binding on the parties to the arbitration and on any person affected by the decision of the arbitration board.

Within ten (10) teaching days of delivery of the written request to settle the difference by arbitration, each party shall nominate one (1) member ready, willing and able to sit on the arbitration board, and the two (2) members so selected shall, within a further period of ten (10) teaching days, nominate a chairperson, ready, willing and able to serve in the capacity of chairperson of the arbitration board. In the event of the failure of the two (2) first mentioned members of the board to agree upon the selection of a chairperson the matter shall be referred by them to the Manitoba Labour Board who shall choose the chairperson.

**PROVIDED THAT:** If the Division and the Association, after delivery of the written request to settle the grievance by arbitration, and before the expiration of the ten (10) teaching days period prescribed for the selection of their respective nominees agree that the difference shall be settled by a single named arbitrator, the arbitrator so selected shall have the like authority as the arbitration board to make a final settlement of the difference, and shall act in the place and stead of the arbitration board.

If the parties elect to follow the procedure entailing the appointment of an arbitration board, then, in the event of any vacancy on the board occurring by reason of death, incapacity or resignation, or for any other reason, such vacancy shall be filled in the same manner as is provided herein for the establishment of the board in the first instance.

*Handwritten signatures and initials in blue ink, including "BC" and other illegible marks.*

**PROVIDED THAT:** If the parties elect to utilize the alternative procedure herein provided, namely, the joint selection of a single arbitrator, and if that arbitrator should resign or die before completing the performance of the duties, the parties shall revert with respect to the dispute concerned, to their respective positions as of the date on which the written request to arbitrate the dispute was delivered.

The board of arbitration shall enter upon its duties within ten (10) days after the appointment of the chairperson, unless otherwise mutually agreed upon by the parties, and shall render its decision as soon thereafter as possible. If the dispute is referred to a single arbitrator, the arbitrator shall enter upon the duties undertaken within ten (10) days after the appointment, unless otherwise mutually agreed by the parties, and shall render a decision as soon thereafter as possible.

The decision of the arbitration board (or of the single arbitrator when the alternative procedure has been invoked) shall be limited to the dispute or question contained in the statement or statements submitted by the parties, and the decision shall not change, add to, vary or disregard any provision of this Agreement.

Decisions of the majority of the members of the arbitration board (or the decision of the single arbitrator) made under the authority of this arbitration clause, shall be final and binding upon the parties to this Collective Agreement and all persons upon whom the Collective Agreement is binding.

If an arbitration board is appointed under the authority of this arbitration clause, the expenses, if any, of the members of the arbitration board shall be paid as follows: The Association shall pay the fees and expenses of the member chosen by it; the Division shall pay the fees and expenses of the member chosen by it; the fees and expenses of the chairperson shall be divided equally between the Association and the Division. If, however, the parties elect to follow the alternative procedure, the fees and expenses of the single arbitrator shall be divided equally between the Association and the Division.

Any change or alteration of or addition to or substitution for any of the terms of this Agreement shall be made by negotiation between the Division and the Association.

- (i) to the estate of a teacher who has died;
- (ii) to a teacher who is retired on pension;

In the case of 9.05(a) (iii) and (iv) entitlement to retroactive salary shall cease one (1) year after being notified by the Division at the teacher's last known address.

The Division shall provide the Association the names of all teachers whose cheques are returned when mailed to the last-known address.

### (b) Increments

The basic salary of a teacher shall on completion of each year of teaching experience, be increased by an increment as indicated in the Basic Salary Schedule until the teacher has reached the maximum salary for the class. If the years of teaching experience before the effective date of the teacher's individual contract are expressed by a whole number plus a half, the half year shall be considered to be five (5) months of teaching experience on the Winnipeg Staff for the purpose of determining the date for payment of the first increment.

For the purpose of this subsection the date that the increment becomes payable on the completion of a year of teaching experience as provided in Article 9.04 hereof, shall be as follows:

- (i) If the year's experience is completed between the 1<sup>st</sup> and 15<sup>th</sup> day inclusive of the month, the increment shall be paid on the 1<sup>st</sup> of that month;
- (ii) If the year's experience is completed between the 16<sup>th</sup> and the last day inclusive of the month, the increment shall be paid on the 1<sup>st</sup> day of the next succeeding month;
- (iii) If the completion of the year's experience falls on any day between July 1<sup>st</sup> and August 31<sup>st</sup> inclusive in any year, the increment shall be paid on the 1<sup>st</sup> day of September of that year; provided that notwithstanding any other provisions contained in this Agreement, any teacher, the effective date of whose individual teacher's contract is a date between December 16<sup>th</sup> to 31<sup>st</sup> inclusive or January 1<sup>st</sup> to 15<sup>th</sup> inclusive, shall not receive an increment before the first day of September next following.

(iii) Those teachers who teach the full school year and whose contract is amended to change the percentage of time taught during the school year will be paid on the basis of twenty-four (24) more or less equal installments each payable on or before the 15<sup>th</sup> and on the last banking day in each of the months

- (e) **Continuous Employment** - Employment with the Division from the date of hire under one or more successive regular or limited term contracts as long as there is no break in actual teaching service between contracts.
- 20.02 Where it is determined by the Board that a lay off is necessary and where natural attrition, transfers, sabbaticals and leaves of absence do not effect the necessary reduction in staff, the Board shall give first consideration to retaining teachers having the greatest length of service with the Division.
- 20.03 Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of lay off, if such teacher does not have the necessary training, academic qualifications, experience and ability for a specific teaching assignment.
- 20.04 Seniority for the purposes of this Agreement is defined to mean the length of continuous employment within the Division.
- 20.05 Where teachers have the same length of employment with the Division, the order of the seniority list shall be determined on the basis of the total teaching experience with the Division as determined by Article 9.04.
- 20.06 Where teachers have the same seniority as defined in Articles 20.04, and 20.05 the order of seniority shall be determined on the basis of total recognized teaching experience in Manitoba.
- 20.07 Where teachers have the same seniority as defined in Articles 20.04, 20.05, and 20.06 the order of seniority shall be determined on the basis of total teaching experience recognized by the Province of Manitoba for classification purposes.

- 20.09 The Division will maintain a seniority list which will:
- (a) Contain the names of all teachers with five (5) years or less of continuous employment as defined by Article 20.01. The Division will endeavour to provide a list to include the names of teachers with more than five (5) years' continuous employment.

- 20.13 If, after layoffs have occurred and for a period of one (1) calendar year after the 30<sup>th</sup> day of September following the date of lay off, positions become available, teachers who have been laid off and have given written notice that they wish to be recalled shall be offered the positions first, providing such teachers have the necessary training, academic qualifications, experience, and ability for the position available. Seniority with the Division will be used to determine the order in which laid off teachers are offered the available positions provided that the said teachers have the necessary training, academic qualifications, experience, and ability.

It shall be the responsibility of the teacher to report to the Division by registered mail an address to which a recall notice can be delivered. Recall notices will be delivered by registered mail to the last reported address given by the teacher. A teacher who has lost his/her right of recall as a result of the application of this clause shall be notified as soon as possible that his/her teaching contract has been terminated.

- 20.15 A teacher's accumulated sick leave credits will not be affected if the teacher is recalled as provided in Article 20.13 above.
- 20.16 Notwithstanding any other provisions of this Agreement, the foregoing lay off provision shall not apply to a teacher continuously employed by the Board under an approved form of agreement for a full school year or less as defined by the Minister by regulation, or to a teacher employed on a limited term contract not to exceed one (1) school year where during that term the teacher is employed on the express written understanding that the teacher's employment with the Board will cease at the end of such term; provided however, no teacher shall be laid off who has been employed by the Board under an approved form of agreement for more than one (1) full school year as defined by the Minister by regulation, where a teacher with a full school year or less of employment under an approved form of agreement or a limited term contract not to exceed one (1) school year has not been laid off, having regard to the necessary training, academic qualifications, experience and ability required for a specific teaching assignment of such teacher employed under a limited term contract or of a teacher continuously employed by the Board under an approved form of agreement for a full school year or less as defined by the Minister by regulation.

24. **TWELVE MONTH SCHOOL YEAR**

The provisions of this article shall apply only to the teachers at the Winnipeg Adult Education Centre and the Manitoba Adolescent Treatment Centre, hereinafter called the "Centre", who are assigned to the instructional program operated by the Centre on a twelve (12) month basis.

24.01 It is agreed that for the purposes of this Article, the following terms shall have the following meanings:

- (a) **Standard School Year** - Standard school year shall mean the teaching days designated by the Minister of Education and Advanced Learning pursuant to Manitoba Regulation 101/95 as it exists of the date hereof, in the ten (10) months commencing the Tuesday immediately following Labour Day and ending in June.
- (b) **Centre Year** - Centre year shall mean the period beginning the Tuesday immediately following Labour Day and ending the following Labour Day.
- (c) **Standard Vacations** - Standard vacations shall mean the Spring, Midsummer and Christmas vacations as designated by the Minister of Education and Advanced Learning pursuant to Manitoba Regulation 101/95 as it exists of the date hereof.
- (d) **School Holidays** - School holidays shall mean the holidays set out in the Public Schools Act and Manitoba Regulation 101/95, as it exists of the date hereof, and in addition Christmas Day, Boxing Day, New Year's Day, July 1<sup>st</sup> and the first Monday in August.
- (e) **Cumulative Standard Vacation** - Cumulative Standard Vacation shall mean the sum of the standard vacations.

- 24.02 (a) A teacher in the Centre may work during the standard vacations provided that in any Centre year, the number of teaching days the teacher works shall be not more than in the current standard school year and provided that the cumulative standard vacation shall be uninterrupted except by mutual consent of the Division and the teacher.
- (b) A teacher may work during the standard vacations but not on school holidays.
- (c) A teacher's instructional day at the Centre may begin and end at times other than those applying in other schools of the Division provided that the instructional day is the same in length.

24.03 Notwithstanding the provisions of Article 23.02 and with the mutual consent of the Division and a teacher in the Centre, the teacher's terms of employment may be modified as follows:

- (a) In any Centre year the number of teaching days required of a teacher who has consented may be more or less than in the current standard school year, provided that in this and the following Centre year, the total teaching days required shall be no more than those applying in other schools operating according to the standard school year; and provided that, on the completion of a cycle of two (2) consecutive Centre years in accordance with the foregoing provision, neither of these Centre years shall be taken into account in calculating another cycle of two (2) Centre years.
- (b) A teacher shall have a cumulative standard vacation for each standard school year of service. The cumulative standard vacation may be advanced or deferred so that it occurs at times other than the standard vacations and may be so arranged that in any cycle of two (2) consecutive Centre years, two (2) cumulative standard vacations may be taken consecutively under this provision, they may not be taken to follow immediately after a cumulative standard vacation in the preceding Centre year or immediately preceding a cumulative standard vacation in the following Centre year.
- (c) Where the teacher in any Centre year accumulates teaching days in excess of the standard school year, the total of the excess days accumulated shall be brought forward into the next ensuing Centre year and shall be credited to the teacher as if the days had been accumulated in that year.

- 24.04 Where pursuant to the arrangements made between the Division and the teacher, it is anticipated that the teacher will be paid salary in advance of rendering service, the teacher shall, at the time of making such arrangements, give to the Division a promissory note in the form of "Schedule I" for the full amount of the salary that will be so prepaid, the said note to be surrendered by the Division when the teacher either (a) has earned the amount by teaching service or (b) has made full payment in cash, or (c) has repaid all prepaid salary by a combination of service and cash, or (d) has not received in advance any portion of the money contemplated. The said promissory note shall not be negotiated by the Division.
- 24.05 Notwithstanding anything to the contrary contained in this Agreement, the date that a salary increment becomes payable, hereinafter referred to as "anniversary date", for a teacher employed at the Centre, shall be
- (a) in the case of a teacher employed at the Centre as of the 8<sup>th</sup> day of September, A.D., 1970, the current anniversary date, and
- (b) the case of a teacher joining the staff in the future, the anniversary date in effect at the time of transfer or assignment to the Centre.

Provided that the anniversary date shall be affected by absence without salary in the same manner as it affects teachers employed in other schools as set out in Article 9.04 (c)(i).

- 24.06 The basic salary of a teacher employed under contract at the Centre for a portion of the Centre year, shall be pro rata of the applicable annual schedule rate and shall be governed by the same provisions as the salary of any other teacher covered by this Agreement.

## 25. EMPLOYMENT OF COUNSELLORS AND RESOURCE TEACHERS DURING THE SUMMER VACATION

Counsellors who will have a full-time counselling program the following year and resource teachers may be employed during the Summer Vacation to carry out such duties for such periods of time as are assigned by the principal. Such employment shall be voluntary on the part of the counsellors or resource teachers.

Counsellors or resource teachers shall receive during the following school year compensatory time equal to the number of days employed during July and August. The method and timing of such compensatory time shall be mutually agreed to by the principal and the counsellor/resource teacher. The details of such arrangement shall be subject to the prior approval of the Superintendent of Schools.

Transfers may be made at the initiative of the Superintendent or other administrative officer or at the request of a teacher and for any purpose which, in the judgment of the Superintendent, is best for the welfare of the teacher or the school.

For the purpose of this clause, a transfer shall not include those teachers that are declared surplus to a school.

Handwritten initials and signatures in blue ink, including "BE", "B", "K", "M", and "W".

**27.01 Voluntary Transfers**

- (a) Teachers interested in a transfer shall indicate their interest in writing on or before March 31<sup>st</sup> of the school year prior to the school year for which the transfer is to be effective. The Division shall make reasonable efforts to accommodate requests for transfer.
- (b) When the Division determines which vacancies to post, those vacancies will then be posted in each school in the Division.
- (c) Whenever possible, teachers who have ten (10) or more years of service in one (1) school shall be granted an interview when applying for a bulletined position for which they are qualified.
- (d) Teachers requesting voluntary transfers shall have accepted a new school assignment before their present school assignment is declared vacant.
- (e) An application for transfer from a teacher shall, upon request by the teacher, be considered confidential, until such time as it becomes necessary to confer with the teacher's present and prospective administrators in making final decisions and arrangements.

**27.02 Division Initiated Transfers**

- (a) The Board's right to initiate a transfer shall be exercised fairly and reasonably having regard to all the circumstances including, in particular, the educational needs of the Division, which shall be the paramount consideration and, as a secondary consideration, the needs of the teacher involved.
- (b) Prior to any Division initiated transfer occurring, the Division shall provide to any teacher being considered for such a transfer an opportunity for consultation with respect to the transfer.
- (c) The most reasonable notice possible given the circumstances shall be provided to a teacher who is being transferred by the Division.

Five (5) days of the leadership training program will be scheduled during the regular working hours of the teachers and five (5) days of the program will be scheduled at a time other than the teachers' regular working hours.

**29. PARKING FACILITIES FOR EMPLOYEES**

Where parking facilities for employees are operated by the Division, they shall be made available for use by members of the staff under the following terms and conditions:

- (a) Parking facilities will be provided by the Division where in the opinion of the Division, land is available for this purpose without curtailing the playground requirements of a school. The Division will levy an annual rent to be paid by employees using the parking facilities. The annual rental will be equal for all employees using the parking facilities and the aggregate rent will be sufficient to cover the aggregate cost of providing and maintaining all the parking facilities, excluding the cost of providing the land.

The money advanced by the Division, for the construction of parking facilities, shall be repaid, from the rents collected in twenty (20) annual consecutive installments of principal and interest of an approximate equal aggregate annual amount. In the case of money advanced by the Division to pay for the equity in existing parking facilities, the number of annual installments shall be twenty (20), minus the number of years that the facility being acquired has been in existence.

BC  
Adam MW

The money advanced by the Division for the construction of existing parking facilities at the Administration Building, Technical-Vocational High School, St. John's, Kelvin, River Heights and David Livingstone Schools, shall bear interest on outstanding balances at the following rate:

- 3% for the First 5 year period
- 4% for the Second 5 year period
- 5% for the Third 5 year period
- 6% for the Fourth 5 year period

calculated from the date in each instance that the money was advanced by the Division. All money advanced by the Division, for the construction of other parking facilities including any new facilities to be constructed at the aforementioned locations, shall bear interest at the same rate as the Division is required to pay from time to time on any borrowing from its Bank during the period the advance from the Division remains unpaid.

It is not intended that there shall be a surplus or deficit from the operation of the parking facilities.

- (b) Nothing herein contained is to be construed as an obligation on the part of the Division to acquire land or any interest in the land for parking purposes.

### 30. DISCIPLINE

The imposition of discipline without just cause by the Division or any agent thereof in the form of written warning(s) and/or suspension(s) with or without pay shall be subject to the following provisions:

- (a) Where the Division or person(s) acting on behalf of the Division so disciplines any person covered by this Collective Agreement and where the affected person is not satisfied that the discipline is for just cause, the Division's action shall be deemed to be a difference between the parties to or persons bound by this Collective Agreement under Article 8 - Provisions for Settlement of Disputes During Currency of Agreement.
- (b) When such a difference is referred to a Board of Arbitration under Article 8, the Board of Arbitration shall have the power to:
  - (i) uphold the discipline
  - (ii) rescind the discipline
  - (iii) vary or modify the discipline

  - (v) do one or more of the things set out in subclause (i), (ii), (iii) and (iv) above.
- (c) The written warning(s) shall not include Performance Assessment and Development done pursuant to Policy GCN and/or any regulations and amendments thereto (hereinafter referred to as the policy), except where the implementation of said policy against a person covered by this Collective Agreement is for the purpose of disciplining said person.
- (d) The Association agrees that the Division has the right to suspend an employee with or without pay for just cause.

### 30.01 Complaints

Should the Division receive a serious complaint, in writing, regarding a member of the Association, the Division shall communicate, in writing, the complaint received to the member concerned. Prior to making any judgment regarding the complaint, the Division shall afford the member an opportunity to appear and answer to that complaint, either personally or by representative.

### 31. PERSONNEL FILES AND ADVERSE REPORTS

An employee shall have the right to respond in writing to any document contained in the personnel file.

Following written assessment of an employee's performance, the employee will be given an opportunity to review the assessment and to acknowledge having read the contents of the assessment. The employee will be provided with the opportunity to place his/her own comments on the assessment form up to twelve (12) working days after reviewing the assessment, and the employee will receive a duplicate copy for his/her records. For the purpose of this article working days shall be defined as those days that the Board Office is open to serve the public.

The Division will not introduce as evidence at any Arbitration Hearing and an Arbitration Board shall not accept as evidence any document which is disciplinary in nature, unless the employee has been previously advised of the nature of the discipline and has been provided with a copy of such document on request.

34. **CONTRACTING OUT**

In order to recognize the interest of the Association's members in job security, the Division agrees not to contract out services which are or have been performed by the employees of the Association where such contracting out would result in a reduction in membership within the Association, until:

- (a) the Division has provided to the Association four (4) months written notice of intent to contract out such services, including a report in reasonable detail outlining the nature of the proposed contracting out arrangement, the reasons for the proposed contracting out, the expected benefits, the options considered, and the expected impact on membership within the Association, and
- (b) the Association has had an opportunity to appear before the Board of Trustees to make representations with respect to the matter.

35. **POSITION NOT COVERED BY COLLECTIVE AGREEMENT**

If, during the term of this Agreement, the Division creates a new position or category of employment which would be subject to the Agreement, the following provisions shall apply:

- (a) The Division shall notify the Association of the new position or category of employment, and the proposed rate(s) of pay which will be applicable, and
- (b) A representative of the Division and the Association shall meet as soon as possible to negotiate the applicable rate(s) of pay to be incorporated in the Agreement, and
- (c) The parties will attempt to reach agreement before any appointment is made hereunder, but if the Division believes in its discretion that there is an urgent need to make an appointment before negotiations are concluded, the Division may do so on the terms which it has proposed, and
- (d) In the event that the representatives of the parties are unable to reach agreement, the Division will establish

- (f) In any case, salary, allowances and any other terms as agreed by the parties or established by an arbitration board hereunder shall be effective from the date of the appointment(s).

36. **JOINT COMMITTEE**

- (a) There shall be a committee which shall be known as: "The WSD/WTA Joint Committee" and shall consist of six (6) members of whom:

The following sets out the basis of an Agreement made between The Winnipeg Teachers' Association and The Winnipeg School Division in conjunction with the Collective Agreement between the two parties made as of the 19<sup>th</sup> day of January, 2016.

1. Hours of Work - Incumbent Laboratory Assistants

- (a) For those laboratory assistants employed by the Division as at January 1<sup>st</sup>, 1992 it has been agreed that the full time hours of work for these incumbents will continue to be thirty (30) hours per week, six (6) hours per day for as long as they remain employed on a part time basis unless the individual is granted an increase in assignment, the portion of the increase shall be determined on the basis of thirty-five (35) hours a week as equivalent to full time.
- (b) For those laboratory assistants employed as at January 1<sup>st</sup>, 1992 and who are subsequently laid off, the Division will pay a retraining allowance of \$2,500, half paid on proof of enrolment in a course of retraining, half paid on successful completion. A laboratory assistant who has been laid off must apply for the retraining allowance within twelve (12) months from the effective date of lay off. Laboratory assistants can qualify for the retraining allowance only on one (1) occasion.

2. Additional Vice-Principals

As a result of the negotiations for a new Collective Agreement, it is agreed that the Division would establish, in addition to those provided by Article 10.02(c), ten (10) vice-principal positions. These would be established on the following basis:

- a) eight positions currently in place
- b) two additional positions to be added September 1<sup>st</sup>, 2011.

Placement of these vice-principal positions would be made following consultation with the Association to address situations where the needs of the school and the community warrant additional administrative assistance.

**MATERNITY LEAVE BENEFITS APPLICATION RULES**

The parties agree to the following application rules, terms and conditions clarifying the Maternity Leave Supplementary Unemployment Benefits Plan per Article 20.05.

1. The maternity leave period, which is eligible for payment under this Article, is the first seventeen (17) weeks (the two (2) week waiting period and the next immediate fifteen (15) weeks).
2. Where any portion of the seventeen (17) weeks referenced in (1) above falls during the summer, Christmas Break, Spring Break, or any other period for when the teacher is not earning her salary, that portion of the maternity leave period does not qualify the teacher to receive maternity benefits pursuant to Article 20.05.
3. A specific application or registration for a Supplementary Unemployment Benefits Plan is not required. The only requirement from Human Resources Development Canada is that the comments section of the Record of Employment confirming that section 38 of the Employment Insurance Regulations are met.
4. Subject to the qualifying period, as set out in paragraph (6), where a teacher had commenced her maternity leave prior to the start of the plan and a portion of the first seventeen (17) weeks falls after the start of the plan, the teacher shall be entitled to receive the paid maternity leave benefit for the portion (if any) of the first seventeen (17) weeks of maternity leave which falls after the start of the plan.
5. Teachers must be under contract to the Division during the period when maternity leave benefits may be paid by the Division in order to be eligible to receive those payments.
6. The qualifying period of seven (7) teaching months must be seven (7) consecutive months in the employ of The Winnipeg School Division, as per the Manitoba Employment Standards Code. The full seven (7) months qualifying period must be served in order to qualify for any maternity leave payment. For greater certainty, should a teacher fail to serve the full qualifying period to the start of the maternity leave, then that teacher shall be eligible to receive maternity leave benefits only for that portion of the seventeen (17) weeks referenced in (1) above which occurs after the completion of the seven (7) month qualifying period.
7. The Division requires, from each of the teachers on maternity leave, a copy of the Statement of Finalized Employment Insurance Benefits in order to accurately calculate her entitlement. This is a document which the teacher should have received (or will receive) from Employment Insurance four (4) to six (6) weeks from the date that she applied for Employment Insurance Benefits. Should payments to teachers be required prior to receipt of the Statement, an estimate of the correct entitlement will be made with an adjustment made following receipt of the Statement.
8. The appropriate adjustments/application will be substituted to the above clauses when a teacher takes adoptive or parental leave.

Dear Ms. Wolfe,

**Re: Letter of Understanding – Substitute Assignment**

The parties agree to refer the issue of substitute teacher assignment and timetable ("the assignment issue") to the In-School Coverage Committee for further discussion. The Committee will meet to deal with concerns over the assignment issue beginning not later than February 15, 2007 and will seek to reach a resolution between the parties by June 30, 2007.

The Division will instruct principals to act reasonably and fairly in assigning or adjusting short term substitute teacher timetables. For extended substitute assignments, the Division will normally assign substitutes the same timetable as the teacher they are replacing, unless otherwise determined at the time of assignment or in unforeseen circumstances.

Pending the conclusion of the Committee's discussions, the parties will develop contract language regarding the assignment of substitutes, which will be appended to the current collective agreement as an addendum to Article 17.03 (Substitutes).

If either party is dissatisfied with progress or results on the assignment issue in the Committee process, either party may, after June 30, 2007, direct the assignment issue to binding interest arbitration.

The arrangements in this Letter of Understanding are without prejudice to the rights of the parties in the event that interest arbitration is required to resolve the issue.

If the parties are making progress in their deliberations, and it is viewed by the parties that additional meeting(s) would be required in the Fall of 2007, the parties can mutually agree to extend the June 30 deadline.

Yours sincerely,

Pauline Clarke  
Chief Superintendent

Dear Ms. Wolfe,

**Re: Letter of Understanding – Family Illness Leave/M.T.S. Short Term Disability Plan**

The parties agree that should the Winnipeg Teachers' Association enroll all teachers into the MTS Short Term Disability Plan, the Winnipeg School Division will increase the number of Family Days provided in new Article 20.01a)iii from three (3) days to four (4) days within ninety (90) days of the commencement of the Short Term Disability Plan.

The following sets out the understanding reached between the Winnipeg School Division and the Winnipeg Teachers' Association of the Manitoba Teachers' Society ("the Parties") regarding the validity of the break language in paragraph 2 of the Memorandum of Agreement on Maternity Leave Benefits Application Rules attached to the collective agreement, which language results in teachers being paid less than the maximum top-up benefit of one hundred and thirty-five (135) days set out in Article 20:05 of the collective agreement:

1. the Parties acknowledge that a similar issue is the subject of a grievance arbitration hearing between the Mountain View Teachers' Association and the Mountain View School Division ("the Mountain View matter"), which matter is scheduled for September 7 to 9, 2016;
2. to avoid delays in concluding the collective agreement between the Parties as well as to avoid litigation the Parties agree to be bound by the final decision of the arbitration board in the Mountain View matter including any subsequent judicial decisions related thereto for the period of time the current collective agreement remains in effect; and

This is not intended, however, to require their regular presence in the school in the evening, nor is it intended to prevent their service as counsellor-registrars or as teachers at regular teaching rates if circumstances make it advisable for them to be so engaged.

### **Section 2.6 - Duties of Substitute Teachers**

Substitute teachers shall perform, as far as possible, all the duties of the teachers for whom they substitute and shall observe the regulations which apply to teachers on the regular staff. The details of their duties shall be those as set forth by the Superintendent.

### **Section 2.7 - Laboratory Assistants**

Laboratory assistants shall be responsible to the principal and the science department head, and shall carry out such duties as are assigned to them.

Without in any way restricting the generality of the foregoing, the laboratory assistant shall be responsible for:

1. Care of laboratory equipment
2. Preparation of laboratories for student experiments
3. Marking student laboratory notebooks.

## **CHAPTER 3 PUPILS**

### **Section 3.1 - Discipline**

Teachers shall exercise such discipline as might be exercised by a kind, firm, and judicious parent, avoiding carefully all display of temper, abstaining from all contemptuous language and from ridicule, and from all modes of punishment calculated to injure the self-respect of the pupil. In this respect, teachers are enjoined to avoid strictly any uncomplimentary reference, however indirect, to the home of the pupil or to any member of the pupil's family.

## **CHAPTER 4 INSTRUCTIONAL STAFF**

### **Section 4.1 - Qualifications for Appointment as Teacher**

In making recommendations for appointments, the Superintendent shall give preference to those applicants with the highest qualifications. The qualifications required shall be a composite of those factors which are essential and desirable for a position on the teaching staff and shall include: educational qualifications, personal qualifications as determined through interviews and references, teaching experience, special qualifications or training required for a particular position, and any evidence of special experience or capacity that would contribute to the teacher's effectiveness in the Winnipeg School Division schools.

### **Section 4.2 - Assignment of Staff**

A teacher shall be assigned to a specific position by or under the direction of the Superintendent, and may be transferred to any other position for which the teacher is qualified. Transfers which involve promotion or demotion of a teacher to, or in, or from administrative or supervisory positions shall be submitted to the Board for approval.

Each teacher shall be given at least twenty (20) teaching days' notice by registered mail of any intended reduction of the teacher's salary by reason of a change in the teaching position, and the rights of the teacher as provided in the individual teacher's contract, or of the Association as provided in the Collective Agreement shall be available to such teacher and/or the Association.

#### **Section 4.2 - Assignment of Staff (Continued)**

After two (2) years, no employee in an administrative or supervisory position shall suffer a reduction in salary or position until:

1. First receiving notice in writing of the specific reason or reasons why such reduction in salary or position is contemplated, and
2. Such employee shall have the opportunity of a hearing, and to make representation in person or through a representative to the Board in camera to answer the complaint.

#### **Section 4.3 - Transfer of Employees**

Transfers may be made at the initiative of the Superintendent or other administrative officer or at the request of the teacher, and for any purpose which, in the judgment of the Superintendent, is best for the welfare of the teacher or the schools.

All requests for transfers, whether for the individual or for a subordinate, shall be submitted in writing with an explanation of the reasons for such a request.

An application for transfer from a teacher shall, upon request by the teacher, be considered confidential, until such time as it becomes necessary to confer with the teacher's present and prospective superior officers in making final decisions and arrangements.

#### **Section 4.4 - Promotion**

The criteria and procedures used by The Winnipeg School Division in the selection of personnel for appointment to principalships, vice-principalships, and other administrative positions shall be determined by the Superintendent. While preference will normally be given to candidates who best meet these criteria, consideration may also be given to candidates who are outstanding teachers and who meet the requirements for a certain position but who do not conform to all the established criteria. Therefore, while the following items are not completely definitive, they provide guidelines for making appointments.

**Experience** - Preference will be given to candidates who are intimately acquainted with many phases of the school system. Experience at different grade levels, in special programs, at different schools, and under different principals is desirable. Candidates who have a wide knowledge of the school system should be better suited, other factors being equal, to perform the administrative tasks. The amount of time necessary to gain a broad experiential background is considered to be at least ten (10) years' service in the school system.

**Education** - The minimum educational qualifications for appointment to an administrative position shall be the first bachelor's degree with one (1) year of graduate study in education (e.g., B.A., B.Ed.). Preference will be given to candidates who hold Masters' degrees.

**Scholarship** - Preference will be given to candidates who have attained at least second class standing in their last two (2) years of university education.

**Physical and Mental Fitness** - Candidates for administrative positions should be in good physical and mental health.

**Personal Factors** - Because testing instruments have not yet been developed which can measure an individual's personality, the assessment of this criterion depends upon the subjective judgment of the selectors. To maintain good interpersonal relationships, to make sound decisions, and to possess the necessary drive and enthusiasm to stimulate others, are some of the essential qualities of a good administrator. These supplement or include the following factors in which candidates should rate high: leadership, ability to teach, character, interest in and liking for children, ability to get along with people, organizing and executive ability, tact and diplomacy.
