ARTICLE: 8.01, 8.02 AND 8.04

The Interlake School Division and The Interlake Teachers' Association agree that, commencing in the 2017/2018 school year, in calculating the administrative allowances payable to principals and vice-principals within Division schools in accordance with articles 8.01, 8.02 and 8.04, the phrase "per teacher supervised" shall mean total number of teachers employed within the school, rather than the number of full-time equivalent (F.T.E.) teaching positions within the school.

The determination of the number of teachers supervised shall be determined on September 30th.

In circumstances where a teacher provided services at more than one school in the Interlake School Division, the teacher will only be included in the "per teacher supervised" count for a particular school if the teacher has more than a 0.20 F.T.E. at that particular school.
